events: the Barcelona International Tournament, the 5th and 6th, and CMGE, that will be held the 7th and 8th. The most intriguing moment will have place on the sixth day, because of the end of the Tournament, and also on the eighth day, which will be developed by the end of the World Cup. Moreover, this major event will feature the participation of 25 international judges and 1000 gymnasts.
