Madonna were in first and second place respectively in both the classification of the the Senior and the FUSACUP competitions. On the other hand, the finnish group Mineta and Team Japan occupied the third place in the senior category and the EUSACUP respectively. Moreover, Victoria won also the first place of the junior competition. The finnish Ovo Junior Team and Minetit Junior won the 2nd and the 3th.

Respect and cooperation were present throughout the whole competition
